

Q3 2022 Earnings Summary

Strengthening our place in consumers' everyday health

We're expanding our capabilities in health care delivery to better support consumers

Third quarter 2022 highlights

Our third-quarter results demonstrate a relentless focus on growth, operational execution and supporting the communities we serve

Expanding care capabilities

Announced acquisition of Signify Health, pending regulatory approval, to strengthen consumer engagement and add best-in-class in-home services and care coordination

Engaging enterprise assets

Exceeded 2M members in our Aetna/Caremark product, a testament to the consumer value of our integrated offerings

Emphasizing a digital-first, technology forward approach

Giving consumers real-time visibility into their prescriptions and out-of-pocket costs

Enhancing our omnichannel health experience

Bringing together our broad health care delivery capabilities, including in-person care, virtual care and clinical product solutions, to improve health care for consumers

Advancing Women's Health

Introduced the HERe, Healthier Happens Together initiative to help address the unique health care obstacles faced by women, including new virtual services available 24/7 at MinuteClinic®
