

# Participating MinuteClinic Locations for Phoenix, AZ VA Program

---

Nurse practitioners at MinuteClinic specialize in family health care and can diagnose, treat and write prescriptions, as appropriate, for common family illnesses such as strep throat; ear, eye, sinus, bladder and bronchial infections; nausea, vomiting and diarrhea; and heartburn and indigestion. Minor wounds, abrasions, skin conditions, sprains and strains are treated, and common vaccinations such as influenza, tetanus, pneumonia and Hepatitis A and B are available at most locations. MinuteClinic is open seven days a week and no appointment is necessary.
